Chapter 1: About Southeastern University

1.1 Mission Statement

Equipping students to discover and develop their divine design to serve Christ and the world through Spirit-empowered life, learning and leadership.

1.2 Vision statement

Southeastern University is anchored by Spirit-empowered education in a Christ-centered, student-focused learning community. Southeastern University's global impact is marked by a deep commitment to transforming minds and engaging culture through the integration of faith, learning and service. Each student's divine design is nurtured and unleashed through the investment of faculty and staff, relationships within the community, the rigor of scholarship, diverse learning experiences and the discipline of spiritual formation, which propels students into a lifetime of serving the world in the Spirit of Christ. In addition to our mission and vision statement, we hold fundamental truths about the Christian faith that include the following:

- The Scriptures are inspired by God and declare His design and plan for mankind.
- There is only one true God who is revealed in three persons: Father, Son and Holy Spirit (commonly known as the Trinity).
- Jesus Christ, as God's son, was both fully human and divine.

We are proud of our affiliation with the Assemblies of God and our Pentecostal tradition. We are also proud to be a welcoming community for students from all Christian backgrounds and denominations. Our campus includes many Baptists, Presbyterians, Methodists, etc., as well as nondenominational students. Everyone shares a strong commitment to knowing Christ and making Him known, and we celebrate our theological similarities while appreciating our differences.

1.3 Heritage

From its inception, Southeastern University has been proudly associated with the movement of the Assemblies of God. Our heritage with Assemblies of God serves as the bedrock of our institutional identity here at SEU. We are proud of the tradition we have built from this legacy, and we invite anyone who would like a better understanding of who the Assemblies of God are and what they believe to visit their [website](#).

1.4 Life Statement

Southeastern is more than a university; it is a community that transforms students. Joining this Christ-centered community obligates each student to embrace a set of core values centered on scriptural and civilized behavior. The core values of the Southeastern community are: authentic spirituality, a Christ-centered world-view, character development for ethics in life, servant leadership, academic and professional excellence, and cultural sensitivity.

1.5 Community Covenant

Since members of this faith-based community have voluntarily chosen to be a participant, all students are obligated to a code of scriptural and community standards and behavior. As a Christ-follower and member of the community of Southeastern University, I will:

- Practice the spiritual disciplines—regular reading of God’s Word, prayer, etc.
- Understand that regular attendance at church services is expected
- Uphold the community standards
- Pursue integrity and practice professional ethics
- Adhere to guidelines of dress code
- Respect the dignity of all persons and highly value the diversity of the body of Christ
- Respect the rights and property of others
- Discourage bigotry, slander, and gossip among the members of the community and will refuse to engage in such behavior
- Refrain from the possession, use or distribution of beverage alcohol (except for communion), marijuana, or other intoxicants either on or off university premises
- Refrain from the possession, use or distribution of tobacco products either on or off university premises
- Refrain from the possession, use or distribution of illegal substances and the abuse or illegal use of legal substances, including prescription and over-the-counter medications either on or off university premises
- Refrain from all sexually immoral behavior including: premarital sex; adultery; lesbian, gay, bisexual, or transgender behavior; and involvement with pornography in any form. (Biblical marriage consists only of a faithful, heterosexual union between one genetic male and one genetic female, and biblical marriage is the only legitimate and acceptable context for a sexual relationship)
- Resolve conflict according to the model in Matthew 18:15-20
- Honor the servant-leaders who watch over this community and cooperate with their leadership
- Demonstrate compassion for others and a passion for the lost as a representative of Christ

1.6 Human Sexuality Statement Biblical Foundations

Biblical Foundations: Our understanding of human sexuality is derived from the following biblical principles:

- God created humans as relational beings — the only part of creation that God explicitly designed to have community with Himself (Genesis 1:26). All other forms of community are designed to reflect this relationship between divinity and humanity (Hebrews 10:24–25, 1 Corinthians 12:14, Ephesians 5:25).
- As a direct result of sin, the community between divinity and humanity was broken (Genesis 3:23–24). This brokenness has permeated into all other relationships (Genesis

4:15). Human sexuality is not exempt from the marring effects of separation from the Divine (Romans 1:21-23).

- God's intention for human sexuality is to occur between one genetic male and one genetic female within the covenant of marriage (Genesis 2:18, 21–24; Hebrews 13:4).
- All forms of sexuality outside of God's intention are a result of separation from God (1 Corinthians 6:13, 18–20) and are illegitimate moral options for the confessing Christian. In Scripture, several sexual behaviors are expressly forbidden, which include but are not limited to fornication, adultery, incest, unnatural sexual intercourse and homosexual acts (Exodus 20:14; Leviticus 18:7–23, 20:10–21; Matthew 5:27–28; Romans 1:20–27; 1 Corinthians 6:9; Galatians 5:19; Ephesians 4:17–19; Colossians 3:5)
- Into this broken world, God sent himself in the form of His only begotten Son, Jesus the Christ (John 1:1–3, 14). Through His sacrifice, Jesus became the Way to restoration of the Divine/human community (John 3:16). Until one has restored his or her relationship with God through His Son, Jesus, all other relationships — including human sexuality — will remain broken (John 14:6–7).

Southeastern Human Sexuality

At Southeastern University, we affirm human sexuality as a gift from God, designed to serve as a mirror of one's relationship with God. We believe that God's intention for human sexuality is between one genetic male and one genetic female within the covenant of marriage (Genesis 2:18, 21–24; Hebrews 13:4). In addition, Southeastern University supports the dignity of individual persons affirming their biological sex — understanding that any attempts to change one's God-given sexuality through elective sex-reassignment or transvestite, transgender or nonbinary “genderqueer” acts or conduct is at odds with our biblical standards, denominational affiliation and subsequently our code of conduct.

Our Commitment

Therefore, we as a community commit to the following:

- Because of our values surrounding modesty, sexual purity and safety, the university has had a single-sex housing and restroom policy for undergraduates since its inception, and we will continue to maintain this tradition.
- In regard to athletics, we will continue to support our biblical understanding of affirming an individual's biological sex as the basis for athletic competition.
- As a university we will conduct our sexuality as a reflection of our relationship with God. Southeastern University pledges to guide the university community toward understanding and embracing its sexuality as a reflection of its relationship with God.
- Seeing that sin is a common struggle for all, members of the SEU community are committed to treating one another with respect and Christ-like compassion (Philippians 2:3–5). Insults, slurs and other forms of derogatory speech have no place in a Christian community (James 3:9–12).

- Any deviation from a biblical standard of sexual behavior is a result of separation from God and therefore is an opportunity for repentance, grace and redemption so that as a community, we might honor one another and glorify God.

1.7 Misrepresentation Policy

Southeastern University strives to be an institution of high integrity and is committed to providing the most accurate information through all mediums to anyone associated with the University. Southeastern University will make every effort to not engage in misrepresentation of any form as defined by the U.S. Department Regulatory Citation: 34 CFR § 668.71 (c) which defines misrepresentation as any false, erroneous or misleading statement an eligible institution, one of its representatives, or any ineligible institution, organization, or person with whom the eligible institution has an agreement to provide educational programs, or to provide marketing, advertising, recruiting or admissions services makes directly or indirectly to a student, prospective student or any member of the public, or to an accrediting agency, to a State agency, or to the Secretary. A misleading statement includes any statement that has the likelihood or tendency to deceive. A statement is any communication made in writing, visually, orally, or through other means. Misrepresentation includes the dissemination of a student endorsement or testimonial that a student gives either under duress or because the institution required the student to make such an endorsement or testimonial to participate in a program.

1.8 Drug-Free School & Campus Policy

Southeastern University is committed to maintaining a Christ-centered and student-focused learning community that is free from alcohol, tobacco, and illegal drugs. In accordance with the University's Community Covenant as well as the Code of Student Conduct and the Employee Handbook, the possession, use, distribution, or manufacture of alcohol, tobacco, marijuana, illegal drugs, and other intoxicants by students or employees is prohibited both on and off campus. The University also prohibits abuse, misuse, and distribution of legal prescription medications.

The University's position on alcohol, tobacco, and drugs is in compliance with the Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act Amendments of 1989.

For more information on our drug & alcohol abuse policy, please follow this link: [SEU Drug & Alcohol Abuse Prevention Program](#)

1.9 Non Discrimination & Disability Accommodations

Southeastern University is committed to being an accessible and accepting community for people from diverse backgrounds, including those with disabilities. We also stand firmly against discrimination and harassment. To further those initiatives, we have established guidelines and policies to direct university students, faculty and staff. For more information about Southeastern

University's Nondiscrimination & Disability Accommodations please visit the following link:
<https://www.seu.edu/support/non-discrimination-accommodations/>

Chapter 2: Traditional Admission Process

2.1 Admission Process

Southeastern considers many aspects of a student's academic and personal background when deciding admission status. Factors include your Christian character, personal recommendations, GPA, entrance examination scores, and desire and willingness to learn. Once Southeastern has received a prospective student's completed application file, the assigned Enrollment Counselor will consider the application for admission. Prospective students who do not meet all of the requirements may be considered for provisional admission and will be signed off on by the Director or Executive Director of Admission. Individual review is a routine part of the application process.

2.2 Application and Fee

The first step in the admission process is to complete the online application on the University's website, www.seu.edu/apply. A \$40 application fee is required. This fee is due at the time the student submits the application.

2.3 Waiving The Application Fee

The application fee is an important and valuable element to the application process. For the student, it helps increase the perceived value, significance, and importance of completing a SEU application for admission. Careful consideration is given when waiving the application fee as the aforementioned value that is added for the student should not be eroded. It is possible for the application fee to be waived in certain circumstances. The following are situations when SEU allows the application fee to be waived:

- During a campus visit or campus event.
- During online promotional events.
- During fall travel visits and events.
- When an Enrollment Counselor or SEU Central staff member deems appropriate, they may use a waived application fee as an incentive for the student to turn in their application immediately.
- In the case that a student indicates to the Enrollment Counselor or SEU Central staff member that the only hindrance to completing the application is the fee, then that SEU employee may use their discretion in providing the online code to waive the application fee.

2.4 Initial High School Transcripts

An initial transcript, received prior to high school graduation, can be accepted if received directly from the student, student's parent, or student's guidance counselor, either in person, by fax, email, or mail. Applicants can satisfy this requirement with one of the following documents:

- A high school transcript with a minimum grade point average (GPA) of 2.0 on a 4.0 scale is required for admission. If the GPA is in a format other than a weighted 4.0 scale, it will be converted into a 4.0 weighted GPA. Southeastern will only consider the GPA received on the transcript at the time of acceptance for scholarship and acceptance purposes.
- The General Education Development Certificate (GED) or High School Equivalency Diploma (HSED) is accepted in place of a high school transcript if it is complete.
- A homeschool transcript is also accepted. See *Homeschool Transcript Requirements* for more information.

2.5 Final High School Transcript

After the student graduates, the student's high school must send a complete official sealed final high school transcript which includes grades from the student's final semester, a final GPA, and a graduation date. Transcripts sent prior to graduation are considered initial transcripts and can be used for the acceptance process. A diploma will not be accepted to meet the transcript requirement for incoming freshmen. Transfer students with more than 60 incoming credit hours are not required to submit a final high school transcript.

Final transcript must be sent in one of the following ways:

- Sent via postal mail directly to Southeastern University from the high school.
- Delivered in an envelope previously sealed by the school.
- Sent through a certified electronic system.
- The GED must be received directly from the testing center in order for this document to be considered final.
- The final transcript is due to the Admission Office before classes begin.

2.6 Entrance Examination Scores

Southeastern University does not require that applicants submit scores received on a college entrance exam. Test scores are optional. Acceptable entrance exams include the ACT, SAT, CLT, PERT, or COMPASS exam. Other exam scores will be considered on an individual basis once verified as an acceptable exam by SEU. The scores for these exams should be received from the testing agency or be included on the high school transcript. The applicant may also provide a personal copy of their official score sheet.

2.7 Christian Character Reference

Applicants must submit a Christian Character Reference form as part of their application. This assessment should be completed by an individual who knows the prospective student well (six months minimum required) and can provide the Enrollment Counselor with a candid assessment of the student's Christian maturity. References completed by a relative will not be accepted.

Southeastern University is not obligated, but may call this individual to obtain more information about the student. Phone contact with the individual may be attempted to follow up concerning academic or behavioral issues disclosed in the application process.

2.8 Biographical Essay

Southeastern University requires prospective students to submit a 1-2 page essay using the following prompt: "Describe the beginning and present growth of your relationship with God and how you see yourself as a good match for Southeastern University's academic and spiritual environment."

2.9 The Academic Year

Southeastern University operates their traditional campus-based programs on a fall and spring semester system. The fall and spring semesters are 16 weeks in length. Class sessions during the regular semesters are scheduled so that they equate to fifteen, 50-minute sessions per credit hour, although they may vary depending on the nature of the instruction and schedule. Hybrid classes, mixing online and individual study with face-to-face sessions are also held, as well as some online delivery courses, structured for campus-based students. New, incoming students may only enter in the fall or spring semester. Course delivery during summer sessions varies, but they are designed to be comparable to the semester sessions. The academic calendar outlines the main events including the beginning and ending dates of each semester and the summer session.

2.10 Acceptance Process for Freshmen

The Admission Office will review applications after all required documents are received and have been processed through the Admission Data Office. The applicant's file is prepared and accessible by the designated Enrollment Counselor, and/or the Director of Admission for review. Some applications are flagged for additional review by the Director or Executive Director of Admission. Once the decision has been made, the student will be notified of the decision in writing within two weeks.

The designated Enrollment Counselor will review prospective student applications following completion. The following is a list of specific information that the Enrollment Counselor is looking for in the application:

- High School GPA

- Entrance Exam Scores (Optional)
 - a. If you do not take the SAT or ACT, your weighted high school GPA will determine your scholarship tier.
 - b. If you do take the test(s), a strong score will benefit your scholarship level.
 - c. Test scores will only be factored in if they help you reach a higher scholarship level.
 - d. Students who are receiving scholarships through the SEU School of Honors or Florida Bright Futures are still required to submit test scores.
- Christian Character Recommendation: Students must have a non-family member that has known the applicant longer than 6 months to complete the form provided by Southeastern University admission office.
- Biographical Essay: Biographical essay is 1 to 2 pages, typed, double-spaced using the following prompt: “Describing the beginning and present growth of your relationship with God and how you see yourself as a good match for SEU’s academic and spiritual environment”. If there are any causes for concerns within the essay, then the Enrollment Counselor will seek approval from the Director or Executive Director of Admission. The Director of Admission will communicate with the Office of Student Development, ADA, and Campus Counselor.
- If there are items of concern in the application, follow up with the applicant or the Christian character reference to get more information about the student.
- The student must check “yes” to abide by both Southeastern University’s community life statement and Christian covenant.
- Students need a minimum GPA of 2.0. Anything GPA below 2.0 will need approval from the Director of Admission. Southeastern University uses a GPA and test scores to calculate a score which will determine scholarship eligibility and acceptance. If the student is below a specified score then the file must be reviewed/approved by the Director or Executive Director of Admission.

Once a decision has been reached, the Enrollment Counselor will complete the following steps:

- Sign the Student Record Sheet noting the decision of acceptance based on the above criteria.
- Data Processors will change their stage in the Student Information System.
- Data Processors will add the scholarship in the award tab.
- If a student does not meet the requirements for general admission or if there are any other concerns, conditional acceptance may be granted or the file may be sent to the Director or Executive Director of Admission for further review.

2.11 Scholarship Awarding

Once the file has been reviewed, the Enrollment Counselor will also review the student file for any institutional scholarships and award them appropriately. See Scholarship Awarding for scholarship eligibility requirements.

2.12 Deadlines

Southeastern University's undergraduate priority deposit deadline is May 1st. Students who are admitted and complete their deposit and enrollment confirmation form prior to May 1st are eligible for priority housing benefits including information regarding their dorm and roommate assignment prior to Orientation weekend. The deadline to receive a refund for the enrollment deposit is June 1st.

2.13 Provisional Admission

Conditional acceptance is available for students who do not meet the Academic Admission standards listed above. If one or more of the requirements have not been met, provisional admission may be granted on a case-by-case basis as determined by the Director or Executive Director of Admission. Dependent upon the area of deficiency, the conditional student may:

- Be required to take a limited load of coursework during the first semester.
- Be required to reach out to the Academic Center for Enrichment for assistance with coursework.
- Be required to turn in additional or missing admission documents prior to enrollment.

2.14 Transfer Students

If a student has attempted 12.0 or more college-level credits from another institution after their high school graduation, they are considered a transfer student for the purposes of admission. This does not include remedial college courses.

Students who have completed at least one year with an affiliate Master's Commission, Youth with a Mission (YWAM), or Discipleship Training School (DTS) are not considered transfer students; they are considered freshmen. Though the university awards credit based on advanced standing for their experience, the content is not considered college-level. Students who have taken Post-Secondary Educational Option (PSEO) or other similar credits during high school (i.e. Advanced Placement (AP) exams, Dual Enrollment credits, or College Level Exam Placement (CLEP) exams) are also considered freshmen.

2.15 Application Process for Transfer Students

In addition to the freshman application process, transfer students are required to submit additional pieces to be considered for acceptance. Southeastern University reserves the right to deny an applying transfer student for any of the following situations:

- The student has poor academic standing at another college or university.

- The student has previously been dismissed from another college or university.
- The student has outstanding financial obligations to another college or university.

2.16 College Transcripts

Transfer students are required to submit all college transcript(s) as part of their admission application process before acceptance regardless of whether or not they want to transfer the credits. If the student is currently enrolled in classes, they must submit an unofficial copy of their transcript(s). If their college-level courses are complete, the student must submit an official copy sent from their institution. If the student attended more than one institution, an official transcript must be submitted from all institutions. The official high school transcript or scanned copy of the high school diploma will be required to verify high school completion if the applicant is transferring less than 60 college credit hours. The cumulative college GPA will be used to determine acceptance and scholarship awarding for transfer students who have earned 12 or more credits; at least a 2.0 GPA is needed to gain acceptance. A GPA of 1.99 or lower will be submitted to the Director or Executive Director of Admission for further review.

2.17 Waiving the Entrance Examination Scores

Full transfer students (students transferring in 12 or more college credit hours earned outside of courses taken in high school) are exempt from submitting college entrance exams (i.e. ACT/SAT) if they have earned at least a 2.0 college GPA and are in good standing with their previous institution.

2.18 Transfer Credit Evaluation Process

Students should have their official high school transcript(s) sent to the Southeastern University Admission Office for review. The Admission Office will pass the original copy of the transcript to the Registrar's Office and retain a copy for the student's admission file. The Transfer Enrollment Counselor can provide an unofficial degree audit upon request. The Transcript Evaluator located in the Registrar's Office will officially evaluate college transcript(s) and communicate the results to the student. Students who have questions regarding official degree audits can contact the Registrar's Office.

Only transcripts sent directly from the originating institution to Southeastern University can be considered official. Initial transcripts may be sent for admission purposes and to receive an unofficial evaluation of transferable credits.

2.19 Course Transfer Guidelines

Policies and procedures for transferring credits are:

- Only grades of "C-" (70%) or above are transferable.
- The course description must be equivalent to a Southeastern University course(s).
- Degrees do not transfer; courses are evaluated individually.

- Courses must be at the college level to transfer (usually with a course number “100” or higher); developmental courses will not transfer (usually with a course number “099”).
- An official degree audit is done after receiving an official transcript; faxed transcripts or unofficial transcripts can be evaluated, but the evaluation is unofficial until official transcripts are received.
- The transcript cannot be a grade report.
- Official transcripts will have a seal and the signature of the Registrar.
- Courses cannot be transferred without grades (unless a “P” for “Pass” equals a C- or above); however, the grades do not transfer and therefore do not affect the student’s GPA at Southeastern University.

Chapter 3: International Students

3.1 Who Is Considered International?

An international student is one who attends Southeastern on a non-immigrant F-1 visa. Students who have legal permanent residency (“green card”) status through the U.S. Department of Homeland Security or who are U.S. citizens by birth but have grown up overseas may be culturally and socially “international,” but for purposes of the application, enrollment and financial aid eligibility, they should follow all procedures for U.S. citizens.

The following information is specific to international students who are not a Permanent Resident or citizen of the United States and are seeking to earn a bachelor’s degree as a traditional student and or a graduate degree that is campus-based at Southeastern. It does not necessarily apply to students pursuing an online program from within their home country.

Foreign students currently living in the United States under a legal visa or who have Permanent Resident status are exempt from International Student policies. Undocumented students living in the United States are eligible for acceptance to Southeastern University and are exempt from International Student policies. If Southeastern University will be providing immigration documentation for a foreign student to take courses in the United States, they will be considered International Students.

Missionary dependents who are US Citizens are exempt from all international student policies but may participate with ISSE Student Service Cultural Adjustment workshops, etc.

3.2 Sending Mail and Forms

Students will not receive postal mail from Southeastern University until they have been admitted to the university. International students will be encouraged to use the SEU website, or Enrollment Counselor and or PDSO email to download and submit information and documents until postal mail can be sent.

3.3 Permanent Residents

Foreign students who have legal resident status in the United States are not considered International Students. These students are required to meet Southeastern University's traditional admission standards. These students will not require a student visa, therefore, they are not required to provide verification of funds (Affidavit of Support). They may be eligible for Financial Aid and should contact the Student Financial Services Office to see if they qualify.

If English is not the applicant's first language, they may be required to submit English Proficiency Exam Scores or Certifications from (TOEFL), Duolingo English proficiency exam, and IELTS Exam. The International Enrollment Counselor reserves the right to request that the applicant take the TOEFL, Duolingo, or IELTS Exam before an acceptance decision will be made. This information may be used in determining acceptance.

3.4 Application Process

Southeastern University welcomes students from other countries who show promise of benefiting from educational opportunities in the United States. International students must complete the same admission process as other freshmen or transfer students and graduate students. It is suggested that a foreign student apply for admission to SEU at least six months before the semester they wish to enroll.

Completion and submission of the following documents are required for traditional admission (undergraduate) to SEU:

- Complete the online application, www.seu.edu/apply/.
- Submit a biographical essay, using the following prompt: Describe the beginning and present growth of your relationship with God and how you see yourself as a good match for Southeastern University's academic and spiritual environment.
- Christian Character Assessment form: This is a recommendation form that must be completed by a spiritual mentor such as a pastor, youth leader, Bible study teacher or another person who has guided you in your faith. Assessments completed by a relative will not be accepted.
- Submit an official copy of high school transcripts or final completion documents.
- Submit scanned copy of passport.
- Submit scanned copy of any U.S. Visa
- Submit SAT, ACT and English Proficiency Exams scores.

- o Exception: If the prospective student is from an English-speaking country, high school or university and has a “B+” or higher in their English classes, then they will not be required to submit any of the English Proficiency test scores). Information regarding the TOEFL can be found at the TOEFL website, www.toefl.org. TEST OF ENGLISH AS A FOREIGN LANGUAGE Educational Testing Service
Princeton, NJ 18540 U.S.A.
- o Minimum accepted scores for the TOEFL.
 - Paper-based test (PBT) 540–543
 - Computer-based test (CBT) 207
 - Internet-based test (IBT) 76
- o The IELTS test as a replacement for the TOEFL. The minimum accepted score is a 6.
- o The [Duolingo English Test](#) is an online English proficiency test that can be taken online, on-demand, in under an hour for only \$49. The test is taken via a computer with a camera and includes a proficiency score, video interview, and writing sample which are shared with Southeastern University when you send your results. Certified results are available within 48 hours of the test session.
Minimum score: 105
- If applicable, submit any college/university transcript(s). If any transcript(s) are from a foreign university, a “course-by-course” transcript evaluation as offered by www.jsilny.com, www.wes.org or www.ece.org will be required. This evaluation will indicate to Southeastern whether or not any prior college credits can transfer to Southeastern; the evaluation also allows the Admission Office to determine if you qualify for transfer academic scholarships.

If the grading and evaluation system used by your education system differs from those used by the United States education system, you must provide official translation and a course-by-course evaluation of at least the last two years of high school and grade-point average computation.

- Transfer and graduate students are required to submit transcripts from all colleges and/or universities attended, with translation and credential evaluation. It must list all courses in progress including course names, course numbers, and numbers of credit hours.
- Spantran has created a custom application to help Southeastern students get the right kind of evaluation at a discounted rate (\$150 for standard service). To apply for an evaluation of your non-U.S. transcripts with Spantran or similar services, select below.

3.5 Instructions After Acceptance

In addition to the traditional admission standards, Southeastern University requires all international students to provide documentation showing proof of sufficient funds to cover one full year cost estimate of room, board, tuition and fees. International students may have a financial sponsor who will agree to be responsible for all debts acquired by the student while in this country. These requirements must be met before a Certificate of Eligibility for Student Status (Form I-20) is issued by the university. This is the student's invitation to attend University in the United States.

International students accepted to Southeastern will be eligible to receive an I-20 as an invitation to come to Southeastern University. This is the first step for a student to receive an F-1 student visa. The following steps must be completed prior to an I-20 being sent:

1. The student must be accepted to Southeastern University
2. The student must submit the following financial statements:
 - a. Form F-1: All students interested in applying to Southeastern University must have the funds available to meet the cost of an educational program in the United States. The purpose of the Financial Statement Form F-1 is to verify that the international student has the financial resources available to meet the costs of tuition, fees, room, board, incidental expenses and the cost of round trip transportation from his/her native country.
 - b. Verification of Personal Funds: Southeastern must have proof of funds on file in the form of an official bank statement for three consecutive months (with a dollar figure in U.S. funds). If the student's U.S. sponsor will be funding their education, we will need the sponsor's proof of funds and supporting financial documents.
 - c. Sponsor: If international students do not have proof of funds, they must have a financial sponsor. This individual must complete an Affidavit of Support Form, which will be sent by Southeastern to the individual offering support. Completion of this form along with supporting financial documents verifies that the sponsor will be responsible for all college and living expenses accrued by the student while living in this country that he/she cannot meet personally.
 - d. Deposit of Funds: All students attending Southeastern University on a student visa are required a \$2,000-\$3,000 deposit at Southeastern before immigration papers can be completed. As soon as this amount has been deposited, an I-20 form will be completed notifying the Immigration and Naturalization Service of the applicant's transfer to Southeastern University.

3.6 Additional International Student Policies

International students must fulfill the following requirements to maintain student status:

- To become eligible for transfer to Southeastern from another American college, approval must be obtained from the previous school attended and U.S. Immigration and Naturalization Service.
- International students with a non-US equivalent high school diploma must pass 12 hours as a non-degree seeking student with 2.0 or better to be considered for degree-seeking enrollment.
- First year international students are not allowed to work off-campus. Jobs on-campus are available, but federal regulations state that students are not allowed to work more than 20 hours per week while school is in session.
- Second year international students and beyond may also work on-campus or they may work off-campus through a program known as Curricular Practical Training, wherein a student would garner a job offer related to their respective major and then be allowed to work either part-time or full-time off-campus.

3.7 Financial Aid Policy

International students attending Southeastern University are eligible to receive institutional aid. However, students who are not United States citizens are not eligible for federal or state financial aid.

3.8 Creating an I-20

Southeastern is authorized to update student information and print an I-20 for a student with SEVIS (Student and Exchange Visitor Information System). The Director of International Student Services and Scholars will be the Principal Designated School Official (PDSO) with access into SEVIS records. The PDSO is responsible for the input of the student's initial information into SEVIS and maintaining accurate records within SEVIS.

Once the student is added to SEVIS, the PDSO will print two copies of the I-20. Both copies will be signed by the PDSO or other DSOs (Designated School Officials), one will be placed in the student's file and the other will be sent to the student.

3.9 Registering for the I-901

It is the student's responsibility to complete the following additional steps to receive their student visa:

- Fill out form I-901 online and pay \$200 processing fee at www.ice.gov/sevis/i901/.
- Make an appointment with the U.S. Embassy for a visa interview. (This step is not required for citizens of Canada or Bermuda. Instead, these students will take their I-20 and passport to a Port of Entry.)
- Make plans to come to the U.S. through a Port of Entry (POE). Students may need to bring their passport, I-20 and proof of financial stability to the POE. The student's I-94

will be issued at the POE which gives the student F-1 visa status.

3.10 Maintaining Student Visa Status

The I-20 will be signed initially by the Principal Designated School Official before it is sent to the student. It is the student's responsibility to have their I-20 signed by the PDSO or a DSO at Southeastern before they leave the country. Each time the I-20 is signed, the signature is only valid for one year from the date signed. It is the student's responsibility to maintain the following requirements to keep their F-1 Student Visa Status:

- The student must be enrolled in a minimum of 12 credit hours per semester.
- The student must maintain a valid passport.
- The student must maintain a minimum 2.0 GPA per semester.
- The student must have their I-20 document signed by the PDSO or DSO each year.

3.11 Updates in SEVIS

Any change to the student's status, program dates, major, work eligibility, etc. must be recorded in SEVIS. It is the responsibility of the PDSO to confirm registration for the student every semester. This includes returning International Students and students that have completed their program. Any record that has not been updated in SEVIS will change to "terminated" or "completed" status and may require additional updating by the PDSO. Terminated status creates an unnecessary flag on the student's file which can hinder them when attempting to cross the border. To access the SEVIS help desk, call 800-892-4829.

3.12 Extending A Student's Program

If an international student requires additional time to complete their studies the student is responsible to notify the PDSO or other campus DSO. The PDSO or DSO will make the needed changes in the SEVIS record, and a new I-20 will be printed and signed by the PDSO or DSO for the student to be authorized to extend their program.

3.13 Authorization To Drop Below Full Course

An international student may request to be enrolled in less than 12 credit hours for one semester, if the student has less than 12 credits hours to complete in order to graduate. This update must be added in the student's SEVIS record and a new I-20 must be printed and signed for the student by the PDSO or DSO.

3.14 SEVIS Registration

International students must meet with the PDSO at the beginning of each semester in order to register the student in SEVIS. The student must provide the PDSO with their class schedule, proof of Health Insurance, new updated copies of Visa or Passports and current I-20 document during this meeting.

For international students transferring into the university, their I-20 must be reprinted as their status has changed. Returning students do not need to reprint the I-20, but they must update the document.

3.15 Intent to Transfer

An international student intending to transfer out of Southeastern University must inform the PDSO of their intentions. An international student intending to enroll in post graduate studies outside of Southeastern must also inform the PDSO or DSO of their intent in order for their SEVIS record to be transferred. If an international student graduates from Southeastern University and does not inform the PDSO or DSO of their intent to continue with post graduate studies at another institution within 60 days of graduation, their status will automatically change from “active” to “completed” in SEVIS. In such a case, the student will be responsible to request reinstatement through the school they are transferring to.

3.16 OPT and CPT Procedures

International students must notify the PDSO or DSO if they intend to work. International students are subject to the following work guidelines:

- Authorization to Work
- International students may only work on-campus.
- May work 20 hours or less per week.
- Can be full-time during official school breaks, including winter and summer breaks, as long as they register for the next semester.
- The student will need a Social Security Number to get a paycheck.

CPT (Curricular Practical Training)

- This is the student’s authorization to work off-campus.
- The position must be related to the student’s major.
- Can begin the process for CPT after completion of 2 semesters.
- The student must receive authorization on their I-20 before employment begins, however they need to have an employer before the PDSO or DSO can adjust the student’s I-20 (the student should find a job and then request the change).
- The student cannot work more than 40 hours/week.
- If the student chooses to work full-time for 1 year, they will not be eligible for OPT.
- Approval is required in SEVIS.

OPT (Optional Practical Training)

This is an optional authorization for the student to work in the United States after graduation. Length of authorization to work is limited to 12 months. Approval is required in SEVIS.

3.17 Post-Graduation

International students are legally invited to take courses at Southeastern for a specified period of time. Once the student has graduated, they will need to depart for their home country or take action in for one of the following ways within 60 days of their program end date, (these options may not be available to students who terminate their program):

- Apply for Optional Practical Training (OPT)
- Request to change educational level to a SEU Graduate Degree, or
- Request that their SEVIS record be transferred to another school.

Chapter 4: Scholarship Awarding

Students are awarded scholarships following their admission to the university. Academic, institutional, merit, and need based scholarships are available. In the university's student information system, Jenzabar, the awards will be documented in the awards tab and a letter will be added in the action tab.

New freshman and transfer students qualify for the listed scholarships. Re-applicants will be viewed as a transfer student while going through the admission/financial aid process.

A full list, description and link to available scholarships can be accessed on the website:

<https://seu.edu/admission/financial/scholarships/>.

4.1 Academic Scholars Point System

To determine academic scholarship eligibility for incoming freshmen, refer to the Academic Scholars Merit Chart found on the financial aid section of the website:

<https://seu.edu/admission/financial/scholarships/>. Academic scholarships are determined based on the GPA submitted by the student during the admission process. Test scores are optional and will be calculated with GPA to determine academic scholarship eligibility if submitted. GPA and scoring criteria are as follows:

- SAT Combined Score: Based on highest combined score for math, critical reading and writing sections (excludes score for essay).
- ACT Composite Score: Based on composite score for English, math, reading and science sections.
- GPA Score: Weighted, cumulative grade-point average based on a 4.0 scale.

Transfer academic scholarships are determined based solely on incoming cumulative college GPA. Cumulative GPA is calculated based on all credits taken at any prior college or university attended.

4.2 Academic Scholarships for First-Time Freshmen

General Criteria: Available to first-time freshmen. Full-time SEU enrollment required. Renewable by maintaining a cumulative GPA of at least 2.5. May qualify for up to eight consecutive semesters. These scholarships are not applicable to nontraditional or graduate programs.

4.3 The School of Honors Scholarship

Acceptance into the Honors Program as a first-year freshman or as a transfer student who has at least four semesters remaining and was an active participant in an honors program at a prior institution. Invitation into the program by committee review and selection. Program participants must be full-time students (taking a minimum of 12 credit hours per semester) and maintain a cumulative GPA of at least 3.6. Renewable each year a student is in the program and has successfully completed his or her honors course requirements with a minimum B+ grade.
– \$3,000/year

4.4 Academic Scholarships for Transfer Students

General Criteria: Available to transfer students with 12 credit hours or more after high school graduation who are transferring credits from an accredited university. Full-time SEU enrollment is required, and a student may qualify for up to eight consecutive semesters. Scholarship is renewable by maintaining a cumulative GPA of at least 2.5. These scholarships are not applicable to nontraditional or graduate programs.

4.5 Pastoral/Ministry Scholarships & Grants

Eligibility Deadlines: For the Pastor/Missionary Dependent Scholarship: Fall semester deadline is add/drop of the entrance year. For the SEU Ministry Grant Program, the deadline is February 15.

Awards / Specific Criteria

1. Pastor/Missionary Dependent Scholarship: Available to dependent children of a licensed or ordained minister who works full time for a church. Need-based as determined by the required Free Application for Federal Student Aid (FAFSA). Full-time SEU enrollment is required. For missionary dependents, the parent must be an AG missionary. – Award varies (based on need and available funds)
2. SEU Ministry Grant Program: Renewable tuition grants for College of Christian Ministries & Religion (CCMR) and church music majors. To receive the base-level renewable aid of \$1,000, students must be a declared CCMR or church music major in

good standing with a GPA of at least 3.25 AND remain involved in the ministry of a local church. Students will have opportunities to increase their aid up to \$1,000 per year at \$250 increments per semester through ministry, service or other experiences at Southeastern. Application will be open November 1 to February 15. – Award varies (based on ministry involvement over four years). These scholarships are not applicable to nontraditional or graduate programs.

4.6 Institutional Scholarships & Grants

General Criteria: Full-time SEU enrollment is required.

Awards / Specific Criteria:

1. Diversity Scholarship: Available to first-time freshmen with a cumulative GPA of at least 3.0. Essay required with application. Application deadline is February 15. Awards are limited and based on committee selection. May qualify for up to eight consecutive semesters. – \$2,000/year
2. Christian School Scholarship: Available to first-time freshmen with a cumulative GPA of at least 3.0 who are graduates of a Christian high school. Essay required with application. Application deadline is February 15. Awards are limited and based on committee selection. Renewable by maintaining a cumulative GPA of at least 2.5. May qualify for up to eight consecutive semesters. – \$1,000/year
3. Alumni Legacy Scholarship: Available to dependents of SEU alumni. Need-based. May qualify for up to eight consecutive semesters. Application deadline is February 15. – \$500/year
4. Southeastern Grant: Need-based grant available to first-year freshmen and transfer students. Free Application for Federal Student Aid (FAFSA) required. – Award varied as determined by original need and other awards
5. International Scholarship: Available to non-U.S. citizens with proof of a visa or green card. Amount varies based on need. No application required. Deadline is the add/drop date of the entrance year.
6. National Merit, National Hispanic and National Achievement Scholars: Available to finalists in any of the above programs. May qualify for up to eight consecutive semesters. Renewable by maintaining a GPA of at least 3.6. – \$3,000/year
7. Family Discount: Available to parents, children, spouses or siblings who are immediate family members and are enrolled in the same semester. (Dependent is defined as “dependent student” for federal financial aid purposes.) Graduate programs and discounted programs, including but not limited to the Forum, evening, online and Academy, are not eligible for this discount. – 10% tuition discount for the sibling or spouse with the highest need.

4.7 Performance Scholarships

1. Music Department Scholarships: Performance-based. Audition and separate application required. Full-time SEU enrollment required. Contact the Department of Music chair at 863.667.5645 for more information – Award amount and duration varies as determined by the music faculty.
2. Music Tour Teams Scholarships: Performance-based. Audition required. Contact the SEU Worship Department at 863.667.5067. – Award amount and duration varies as determined by the SEU Worship Department.
3. Film Scholarships: Available to declared film production majors. Full-time SEU enrollment required. A film reel or portfolio must be submitted. Renewable by maintaining a cumulative GPA of at least 3.0. May qualify for up to eight consecutive semesters if the student remains a film production major. Film reel or portfolio submission deadline is February 15. Contact the Department of Communication at 863.667.5119. – Award amount and duration varies as determined by the Department of Communication
4. Athletic Scholarships: Full-time SEU enrollment required. Contact the Department of Athletics at 863.667.5046 for details and tryout information. – Award varies as determined by the Department of Athletics

4.8 Assemblies of God National Fine Arts Festival Scholarships

General Criteria: Available to first-time freshmen or undergraduate transfers who participated in the Assemblies of God National Fine Arts Festival. Full-time SEU enrollment is required, and a student may qualify for up to eight consecutive semesters. Scholarships are renewable by maintaining a cumulative GPA of at least 2.0. Students can only receive one of the listed awards. Eligibility Deadlines: Application deadline is add/drop of entrance year.

Award / Specific Criteria

1. SEU Award of Merit: Received the Award of Merit in a category that falls under a degree program at Southeastern University. – \$5,000/year
2. SEU Top Ten Award: Finished in the top 10 in a category that falls under a degree program at Southeastern University. – \$3,000/year
3. SEU Superior Category I: Earned a superior rating in a category that falls under a degree program at Southeastern University. – \$2,000/year
4. SEU Superior Category II: Earned at least a superior rating in a category that does not correspond with a degree program at Southeastern University – \$1,000/year

4.9 Institutional & Federal Financial Aid Programs

1. ROTC Scholarship: Awards of two, three and four years are available based on merit and grades. Full-time SEU enrollment required. Must maintain a GPA of at least 2.0. Total

awards vary but could cover tuition as well as room and board. Contact the Office of Admission for details.

- a. ROTC covers tuition and other incentives; SEU scholarships cover room and board
2. Federal Financial Aid Programs: Pell Grant and Supplemental Educational Opportunity Grant. Need-based. Submit Free Application for Federal Student Aid (FAFSA) as early as possible. Priority deadline date is April 15. – Award varies as determined annually by the U.S. Department of Education
3. Federal Work-Study: Need-based. On-campus employment with hourly wages paid directly to the student to use for educational expenses. Submit Free Application for Federal Student Aid (FAFSA) as early as possible. Priority deadline is April 15. – Up to \$2,000 based on need and available funds
4. Federal Direct Lending Program: Subsidized, Unsubsidized, PLUS for Parents and Perkins. Submit Free Application for Federal Student Aid (FAFSA) as early as possible. Priority deadline for Perkins is April 15. To apply for a federal student loan, visit www.studentloans.gov – Amount varies by fund
5. A completed, accurate Free Application for Federal Student Aid (FAFSA) is required for all state funding.

4.10 Florida Resident Financial Aid Programs

1. Florida Bright Futures Scholarships: Awarded to Florida high school graduates who demonstrate high academic achievement. The State of Florida Office of Student Financial Assistance determines eligibility. Contact your high school guidance counselor for more information. –Per credit hour as established by the state
2. Florida EASE Grant (Formally Florida Resident Access Grant or FRAG): Tuition assistance for full-time, undergraduate Florida residents. Completed Student Information Sheet required. Submit to change based on Florida Legislature. Contact SEU's Office of Student Financial Services. – Award varies as determined by the state
3. Florida Student Assistance Grant: A need-based grant for full-time, undergraduate Florida residents. Must submit the Free Application for Federal Student Aid (FAFSA). Priority deadline is April 15. – Up to \$1,200
4. Florida Prepaid: A student who is eligible for the Florida Prepaid program should receive a letter from Florida Prepaid, which will direct the student to complete a transfer form. The form must be submitted to Florida Prepaid in order to authorize Southeastern University to receive payments. – Amounts vary based on program selected

A completed, accurate Free Application for Federal Student Aid (FAFSA) is required for all state funding.

4.11 Endowed Scholarships

Through Southeastern University's scholarship program, alumni and other individuals have the opportunity to invest in the future of our students. Whether you have a financial need, meet a GPA requirement or satisfy one of the other criteria, you may be eligible to receive an endowed scholarship. Applications are accepted from February 1 through April 1. The Free Application for Federal Student Aid (FAFSA) must be completed by April 1. – Award amount and duration varies as determined by the Scholarship Committee.

4.12 Other Aid

1. Third-Party Scholarships: Contact the Student Financial Services office to find out about third party funding opportunities at sfs@seu.edu
2. Third-Party Loans:
Alternative private loans are available from a variety of lenders and are designed to help cover costs not covered by federal and institutional financial aid. You should apply for federal financial aid (FAFSA) before considering an alternative private loan. – We encourage all students to investigate federal loan options first before making a decision.

Chapter 5: Graduate & Doctoral Admission

Southeastern University offers more than 20 master's and doctoral degrees. Our nationally-recognized programs are designed to enhance the training and academic foundation of industry experts, producing exceptional servant leaders who will influence their fields. The admission requirements for graduate and doctoral programs at Southeastern vary by program. Each Graduate and Doctoral program has a Program Director or Coordinator that will review and consider a student for admission. Once Southeastern has received a prospective student's completed application file, the assigned Enrollment Counselor will notify the Program Director or Coordinator, who will make the acceptance decision after reviewing all application documents. Prospective students who do not meet all of the requirements may be considered for provisional admission if the intended program offers provisional admittance (not all programs offer provisional as an option for admission into Graduate school at Southeastern University).

5.1 Application and Fee

The first step in the admission process is to complete the online application on the University's website, www.seu.edu/apply. The application is free.

5.2 Initial Transcripts

- A college transcript with a minimum grade point average (GPA) of 3.0 on a 4.0 scale is required for admission.

5.3 Final College Transcripts

After the student graduates with a Bachelor's or Master's degree, the student must send an official final college transcript which includes grades from the student's final semester, a final GPA, and a graduation date. Transcripts sent prior to graduation are considered initial transcripts, and can be used for the acceptance process.

Final transcript must be sent in one of the following ways:

- Sent via postal mail directly to Southeastern University from the college or university.
- Delivered in an envelope previously sealed by the school.
- Sent through a certified electronic system.
- The final transcript is due to the Admission Office before classes begin.

5.4 The Academic Year

Southeastern University operates their non-traditional programs on a Fall, Spring, and Summer semester system. The Fall, Spring, and Summer semesters are 8 weeks in length, comprised of the following terms:

- Fall A
- Fall B
- Spring A
- Spring B
- Summer A
- Summer B

Face-to-face class sessions meet 1-2 times per week, although they may vary depending on the nature of the instruction and schedule. Hybrid classes, mixing online and individual study with face-to-face sessions are also held, along with online only courses. Some programs are face-to-face only, online only, and some offer a hybrid option. Depending on the program, new students can enter in the Fall, Spring, or Summer semesters. The academic calendar outlines the main events including the beginning and ending dates of each semester.

5.5 Provisional Admission

Provisional admission is available for students who do not meet the Academic Admission standards listed above. If one or more of the requirements have not been met, provisional admission may be granted on a case-by-case basis as determined by the Program Director or Coordinator. Dependent upon the area of deficiency, the provisional student may:

- Be required to take a limited load of coursework during the first semester.
- Be required to reach out to the Academic Center for Enrichment for assistance with coursework.
- Be required to turn in additional or missing admission documents prior to enrollment.

For more information related to graduate and doctoral admission please visit the following link: <https://seu.edu/academics/masters-doctoral/>

Chapter 6: Online Admission

Southeastern University allows students to start or finish their associate's or bachelor's degree fully online. For more information regarding the admission process for Southeastern University's online degree programs please visit the following link: <https://seu.edu/academics/online/>

6.1 Admission Process for Online

Southeastern considers a student by reviewing their official transcripts for admission. Once a student's file is ready to be reviewed, the assigned Enrollment Counselor will consider the application for admission. Prospective students who do not meet all of the requirements may be considered for admission on a case-by-case basis, and will be signed off on by the Director or Executive Director of Non-Traditional Admission. Individual review is a routine part of the application process.

6.2 Application and Fee

The first step in the admission process is to complete the online application on the University's website, www.seu.edu/apply. The application is free.

6.3 Initial High School Transcripts

An initial transcript, received prior to high school graduation, can be accepted if received directly from the student, student's parent, or student's guidance counselor, either in person, by fax, email, or mail. Applicants can satisfy this requirement with one of the following documents:

- A high school transcript with a minimum grade point average (GPA) of 2.0 on a 4.0 scale is required for admission. If the GPA is in a format other than a weighted 4.0 scale, it will be converted into a 4.0 weighted GPA.
- The General Education Development Certificate (GED) or High School Equivalency Diploma (HSED) is accepted in place of a high school transcript if it is complete.
- A homeschool transcript is also accepted. See *Homeschool Transcript Requirements* for more information.

6.4 Final College Transcripts

After the student graduates with a High School Diploma, the student must send an official final transcript which includes grades from the student's final semester, a final GPA, and a graduation date. High school transcripts sent prior to graduation are considered initial transcripts, and can be

used for the acceptance process. Students that complete a minimum of 60 credits from a college or university can submit official college transcripts in place of their high school transcripts.

Final transcript must be sent in one of the following ways:

- Sent via postal mail directly to Southeastern University from the high school or college/university.
- Delivered in an envelope previously sealed by the school.
- Sent through a certified electronic system.
- The GED must be received directly from the testing center in order for this document to be considered final.
- The final transcript is due to the Admission Office before classes begin.

Chapter 7: Partner Site Admission (SEU Network)

Southeastern University partners with churches and organizations nationwide to offer degree programs and unique practical ministry experiences through extension sites and regional campuses. For more information on admission to one of SEU's extension sites or regional campuses, please visit: <https://seu.edu/academics/partner-sites/>

7.1 Admission Process for Sites

Southeastern considers a student by reviewing their official transcripts for admission. Once a student's file is ready to be reviewed, the assigned Enrollment Coordinator will consider the application for admission. Prospective students who do not meet all of the requirements may be considered for admission on a case-by-case basis, and will be signed off on by the Director or Executive Director of Non-Traditional Admission. Individual review is a routine part of the application process.

7.2 Application and Fee

The first step in the admission process is to complete the online application on the University's website, www.seu.edu/apply. The application is free.

7.3 Initial High School Transcripts

An initial transcript, received prior to high school graduation, can be accepted if received directly from the student, student's parent, or student's guidance counselor, either in person, by fax, email, or mail. Applicants can satisfy this requirement with one of the following documents:

- A high school transcript with a minimum grade point average (GPA) of 2.0 on a 4.0 scale is required for admission. If the GPA is in a format other than a weighted 4.0 scale, it will be converted into a 4.0 weighted GPA.

- The General Education Development Certificate (GED) or High School Equivalency Diploma (HSED) is accepted in place of a high school transcript if it is complete.
- A homeschool transcript is also accepted. See *Homeschool Transcript Requirements* for more information.

7.4 Final High School Transcripts

After the student graduates with a High School Diploma, the student must send an official final transcript which includes grades from the student's final semester, a final GPA, and a graduation date. High school transcripts sent prior to graduation are considered initial transcripts, and can be used for the acceptance process. Students that complete a minimum of 60 credits from a college or university can submit official college transcripts in place of their high school transcripts.

Final transcript must be sent in one of the following ways:

- Sent via postal mail directly to Southeastern University from the high school or college/university.
- Delivered in an envelope previously sealed by the school.
- Sent through a certified electronic system.
- The GED must be received directly from the testing center in order for this document to be considered final.
- The final transcript is due to the Admission Office before classes begin.

7.5 The Academic Year

Southeastern University operates their non-traditional partner-site undergraduate programs on a Fall, Spring, and Summer semester system. The Fall, Spring, and Summer semesters are 8 weeks in length, comprised of the following terms:

- Fall A
- Fall B
- Spring A
- Spring B
- Summer A
- Summer B

Students can enter as a site-based undergraduate student in the Fall, Spring, and Summer semesters. The academic calendar outlines the main events including the beginning and ending dates of each semester.

7.6 Site-Based Specific Admission

Individual extension sites may require additional application documents/in-house applications in order to be admitted into their site-based programs.

Chapter 8: Dual Enrollment

8.1 Dual Enrollment

Southeastern offers dual enrollment courses through high school partnerships, online, face-to-face, and at site-based locations. Admission requirements for face-to-face, online, or site based dual enrollment students include submission of the dual enrollment application and dual enrollment agreement form. Dual enrollment students from high school partnerships will only need to submit the dual enrollment application while the partner high school is responsible for completing the dual enrollment articulation agreement form with SEU. Prospective dual enrollment students must be at least at a sophomore level and have a high school GPA of 3.0 or higher (or 2.5 or higher in vocational courses) in order to enroll in dual enrollment courses. Any freshman or sophomore-level courses (that do not require prerequisites) can be taken. If you have any questions regarding dual enrollment, please contact the Office of Admission at 800.500.8760 or admission@seu.edu.

Main Campus Dual Enrollment Program Overview

- Tuition is discounted.
- Students must be at a sophomore level in high school and have a high school GPA of 3.0 or higher.
- Any Freshman (1000) or Sophomore (2000) level courses that do not require prerequisites can be taken
- Classes are offered online and on campus.
- High school sophomores may take up to 6 credit hours per semester; juniors may take up to 12 credit hours per semester; seniors may take up to 15 credit hours per semester.

High School Dual Enrollment Program Overview

- Classes are offered at student's high school campus or online.
- Tuition is discounted.
- Students must be at a sophomore level in high school and have a high school unweighted GPA of 3.0 or higher for all academic courses or a 2.5 GPA for vocational or career classes.
- Most Freshman (1000) or Sophomore (2000) level courses that do not require prerequisites can be taken.
- Students may complete up to 15 credit hours per term.

Partner Site Dual Enrollment Program Overview

- Tuition is discounted.
- Students must be at a sophomore level in high school and have a high school unweighted GPA of 3.0 or higher.

- Any Freshman (1000) or Sophomore (2000) level courses that do not require prerequisites can be taken.
- Classes are offered online and/or face-to-face at SEU's partner sites.
- High school sophomores may take up to 6 credit hours per semester; juniors may take up to 12 credit hours per semester; seniors may take up to 15 credit hours per semester.

Chapter 9: Other Admission Processes

9.1 Certificate Admission Policy

Southeastern University offers certificate opportunities in a variety of areas. For a listing of available certificates please visit: <https://www.seu.edu/academics/certificates/>. For more information on certificate admission please contact 800.500.8760.

9.2 Students Seeking a Second Bachelor's Degree

Any student with an earned bachelor's degree from any school including Southeastern University may apply for a second bachelor's degree. The transferring degree is evaluated on a course-by-course basis, according to the credit transfer policies described in the credit transfer policies section of the catalog. The student may have the unofficial transcript evaluated by submitting it to the Enrollment Counselor prior to admission. The student must complete all degree program requirements that have not been met by transfer or other acceptable credit granting means as described in the credit transfer policies of the catalog. The student must take a minimum of 25% of the program requirements in pursuit of the second degree at Southeastern.

9.3 Staff Application Process

Campus staff members and staff member dependents are eligible to take courses at Southeastern University once they meet the requirements listed in the Staff Manual. If an SEU staff member wants to take a class, the Enrollment Counselor will direct them to apply according to their status. In order to receive the Staff Tuition discount, the staff member must contact the Human Resources Department to request the proper documentation.

9.4 School of Honors Application

Students that meet certain academic criteria may be able to obtain entry in the School of Honors. Academic criteria can be found [here](#). The enrollment counselor will send the School of Honors an email with the name and ID# of the student that has qualified for a Honors application. The School of Honors will ask for corresponding documentation (essay, references, resume, writing sample, and/or interview) and make an admission decision upon review of the application and documentation. Students can contact honors@seu.edu for further information on the application process.

9.5 School of Music Application

Students that show interest in performing arts and/or are pursuing a degree housed in the School of Music must submit an additional application along with their general application to the university. Students are recommended to submit a School of Music application after receiving their acceptance to the university. Applications for the School of Music can be submitted [here](#). Students who are music majors will complete this application, as well as any non-music major student that is interested in pursuing a music scholarship. An audition is required (live or filmed audition) as part of the School of Music application process

9.6 Readmission of Former Students

Former students who have not been in attendance of Southeastern University within one year, or who withdrew during a semester for any reason and would like to return to SEU, must submit a formal application for readmission.

Re-applicants must be in good standing and receive approval from the offices of Admission, Financial Aid, Registrar, Business Office, and Student Development to return.

Re-applicants who exited in good standing are eligible to apply at any time. Former students who were suspended or dismissed (academically or socially) may apply for readmission at the end of the period of suspension. The student must write a letter of appeal and submit this letter with the other required admission documents. The Admission office will communicate with other departments as needed regarding a prospective student's readmission to SEU.

Former students who attended other institutions since leaving Southeastern must provide an official transcript from each institution attended. The regulations on the acceptance of transfer credit apply to any re-admitted student.

9.7 Non-Degree Seeking Students

Non-degree seeking students are individuals who wish to take academic courses but do not wish to pursue a specific degree program.

Non-Degree seeking students may include the following:

- Dual enrolled students
- Public or private school teachers seeking continuing education and additional certification
- Individuals with the maturity and background to benefit from undergraduate class work, but are not planning to pursue a degree
- Audit Students: An applicant applying for admission as an audit student must submit a Non-Degree Seeking Student Application. No record of previous academic work is required. An audit student will earn no college credit, nor will academic work be graded. Enrollment will be subject to availability of space.

- **Transient Students:** A student enrolled at another institution may take a course(s) at Southeastern University and transfer the credit to another institution. To be considered as a transient student, the applicant must apply for enrollment at Southeastern University and have written permission from the Registrar of the other institution.

9.8 LKPD Program

This is an accelerated, online Criminal Justice degree program offered to Lakeland Law Enforcement/City of Lakeland employees. This program is offered at a discounted rate, allowing students to pursue their degree at only \$189 per credit hour. In addition, students can automatically earn 24 credits for police academy training, and 21 credits for practical field experience (evaluated by the Registrar's Office, and James Roberts).

- Law Enforcement/City of Lakeland Employees interested in the program may inquire at seu.edu/info.
- Once applied, students are required to submit the following:
 - Professional Reference
 - Proof of Employment (Police Photo I.D., pay stub, letter from superior, etc.)
 - High School Transcripts
 - Any College Transcripts
- If College transcripts do not indicate Police Academy Training, students must request that a Verification Letter be sent to our offices by their overseer. This will enable students to earn 24 credits towards their degree.

9.9 Program Specific Admission

Individual academic departments may require additional application documents in order to be admitted into a specific major. Students interested in the areas of Education, Biology, Social Work, Nursing, or Aviation should reach out to the individual academic department to inquire about the possibility of additional application requirements at 800.500.8760.

9.10 OneHope's University Launchpad Program

Students who complete the University Launchpad program will be guaranteed admission into SEU undergraduate programs if they have a minimum incoming GPA of 2.0, qualify for international eligibility, and agree to the SEU faith commitment statement.

Chapter 10: Additional Information

10.1 Homeschool Transcript Requirements

Southeastern University prides itself on being an exceptional college choice for homeschooled students, and part of our commitment to serving homeschooling families comes through the admission process. Since many homeschoolers do not study under the umbrella of a local school

district or homeschooling agency, Southeastern permits families to create a transcript of the student's high school course work. Transcripts should include all courses taken in grades nine through 12, as well as final grades.

10.2 Suspicion of Falsified Transcripts

When a high school or college transcript is sent to the SEU Admission Office and appears to be falsified, a member of the Admission team will call said school to verify the institution and to verify the validity of the transcript. If the high school or college/university cannot verify the information or is unreachable, the state Department of Education will be contacted to verify the information.

10.3 GED (General Educational Development Test).

The GED is accepted in place of a homeschool transcript. If the student's current state of residence requires a GED, the homeschool student must take and submit the GED.

10.4 CLEP, DANTES, AP, and IB Exams

Southeastern University accepts many CLEP, DANTES, AP, and IB exams for credit. These transcript/score reports must be sent to the Registrar for review. Exam transfer charts and equivalency requirements for general courses can be found in the Southeastern University's Registrar's Office. The transfer requirements are subject to change, and are maintained by the Registrar's Office. Students who only complete CLEP, DANTES, AP, or IB exams are not considered transfer students. Students are only considered as transfer students if they complete 12 or more courses at a college after high school.

10.5 Graduation Requirement

In order to graduate from Southeastern University, 25% of the student's credits must be taken from SEU. This policy is maintained by the Registrar's Office.

10.6 Academic or Disciplinary Dismissal, Suspension, Probation, Felony

If a student marks 'yes' on their application to having been dismissed, suspended, or placed on probation from college or high school for academic or disciplinary reasons, their Enrollment Counselor will communicate with the prospective student's prior school to obtain additional information relevant to their admission file.

If a student marks 'yes' on their application to having been convicted of a felony, the prospective student will be required to submit a certified criminal background check in addition to their regular admission documents. The applicant is responsible for all costs to complete the certified criminal background check. If a prospective student has been convicted in the past, the file will be reviewed by the Director of Admission.

10.7 Incentive Compensation Prohibition

Southeastern University will not provide any commission, bonus, or other incentive payment based directly or indirectly on success in securing enrollments or financial aid to any individual or entity engaged in recruiting or admission activities or in making decisions about awarding FSA program funds as specified by the Department of Education.
